

How to Apply for your Chronic Medicine and register on the Chronic Medicine Programme (CDL List)

If you have been diagnosed with a chronic condition you will require long-term medication. It is important to register your chronic medication so the payment of your medicine can be covered from your Chronic Medicine benefit and not your Day-to-Day benefits or Savings allocation.

FOLLOW THESE EASY STEPS:

1.

CALL OR EMAIL

Your doctor or Pharmacist can call Mediscor on **086 000 2120** (Choose the relevant option) or email medshieldauths@mediscor.co.za.

You will need the following information:

- Membership details: Benefit Option name and your membership number
- Patient details: Name, Dependant code (on the back of your membership card) and date of birth
- Your Doctor's details: Initials, surname and practice number
- Diagnosis details: What chronic condition has been diagnosed and the ICD-10 code
- Prescribed medicine: Medicine name, strength and dosing frequency

If additional information or a motivation is required, we will contact you and/or your treating doctor.

2.

REGISTRATION

Your registration will be evaluated in line with the Scheme Rules and Protocols by in-house qualified and registered pharmacists and pharmacy assistants. Your application will be processed according to the formularies appropriate for the condition and Benefit Option. Different types of formularies apply to the conditions covered under the various Benefit Options.

You can check online if your medication is on the formulary for your Benefit Option by visiting www.mediscor.co.za/search-client-medicine-Formulary/. If your medicine is not on the formulary for your Benefit Option you can ask your doctor if there is an alternative available that is on the formulary otherwise you will be liable for an upfront co-payment.

4.

CHRONIC MEDICINE

Take your script to the Chronic Medicine Designated Service Provider (DSP) network pharmacy for your benefit option/plan and collect your medicine, or have it delivered.

3.

AUTHORISATION

You will receive a standard medicine authorisation and treatment letter once your application for chronic medication has been processed.

If your registration requires additional test results or a motivation, you should follow up with your treating Doctor to provide this information.
